Editor's Letter

Over time as families move away, family cemeteries are lost from memory. Sometimes records exist of the cemeteries but the locations are not known. In Cherokee County, we call these cemeteries "Lost and Neglected." Ball Cemetery in Maydelle was a "Lost and Neglected" cemetery.

Thanks to Betty Marcantell of the Heritage Center of Cherokee County and Sammy Lievsay for their efforts in finding the Ball Cemetery in Maydelle. The land owner Mr. Ron Robichaux kindly allowed us permission to have Mike Reynolds lead us to the cemetery.

Thanks again to Sammy Lievsay for allowing us to print the photos of the grave stones in the Ball cemetery at Maydelle and for permission to print his ancestor charts and family fact sheets.

You will recall that Helen Wooddell Crawford compiled newspaper obituaries from the early 1900's through 2001. I have saved the obituaries from the Jacksonville Progress and Cherokeean-Herald for 6 to 8 years after 2001 with the idea that one day I would compile obituaries in the Crawford fashion. I even started lists of the source citations, such as:

Name	Periodical	Date	Pages Cited
Martin, Doris Maxine	<u>Jacksonville (Texas) Daily Progress</u>	1/2/2002	3
Cherry, Rayford	<u>Jacksonville (Texas) Daily Progress</u>	1/2/2002	3
Tilley, Beatrice	<u>Jacksonville (Texas) Daily Progress</u>	1/2/2002	3

It is obvious now that I will never finish this project. Would any person or group want to work on this?? If so, to get started, I would ship one's years collection of o

bits to the person in charge of the project. If you think you might be interested, Please call me at 903-586-0135.

Thanks,

Cherokee County Cemeteries

As you will recall, the Cherokee County Genealogical Society and the Cherokee County Historical Commission have been working together since 2014 to find and preserve the cemeteries in Cherokee County. Both organizations have asked other organizations and individuals to help us in this project. Some individuals (we call them Cemetery Rangers) help by visiting the known cemeteries on a regular basis and writing a short report on the condition of each cemetery.

The Historical Commission maintains detailed records on each cemetery. The Cemetery Visit Report from the Cemetery Rangers is one part of the record.

At least quarterly, I send the list of the cemeteries to the Cemetery Rangers and other interested parties with the changes in the data. There are now 204 cemeteries listed on the report. We know the location of 176 of the cemeteries. This means there are 28 known cemeteries that we cannot find on the ground. We call this list "LOST AND NEGLECTED CEMETERIES."

The cemetery list as of August 4, 2019 is printed on legal sized paper and is 12 pages long. The alphabetical list is reduced in size and is printed on the following pages. If you want a full sized list, I can send the list as a EXCEL file to you by email. Send your request to me at ccgs@suddenlink.net if you want the current list or want to be added to our email list. If you want a printed list the price is \$2.65 including postage.

Finding Ball Cemetery at Maydelle on July 26, 2019

On Thursday, July 25th, I received a telephone call from Betty Marcantell of the Heritage Center of Cherokee County. She told me she had received a phone call from Sammy Lievsay of Mesquite, Texas inquiring about the location of Ball Cemetery near Maydelle, Texas. Sammy texted me to inquire if we could get together to find the Ball Cemetery. Sammy said he was a direct descendant of Truman Lemuel Newman and his Wife, Rhoda Jane Ball Newman who are known to be buried in Ball Cemetery. We arranged to meet at the Heritage Center on Friday, July 26th and set out to find the cemetery. I had some information about the location of the cemetery which turned out to be in error. We drove around for about 45 minutes searching and finally decided to talk to some people for more information.

We stopped in the store in Maydelle and asked the people there if they knew about the cemetery. Mrs. Reynolds said her husband Mike knew the location, but that we would need the permission of the land owner, Ron Robichaux to enter the property.

I talked to Mr. Robichaux on the phone, told of my connection to the Cherokee County Historical Commission and Sammy's family relationship to the Ball family. Mr. Robichaux kindly allowed us permission to have Mike Reynolds lead us to the cemetery.

The Legal description of the land is: A 905 BLK 1744 TR 1 & 5 & 6 & 1A-5A-6A J WILLIAMS F12 located at 1009 CR 2107, Rusk, TX 75785, Cherokee CAD property ID 119631000. The property consists of about 226 acres of land heavily timbered in mostly pine trees. The property is has a 10 foot high fence to contain exotic game.

The cemetery is located about ¼ to ½ miles inside the locked gate about 100 feet from the dirt road through the property. The graves are in an area about 50 feet by 50 feet square. The Latitude-Longitude is 31° 46' 56", -95° 17' 40" at an elevation of 390 feet above sea level.

Helen Wooddell Crawford's book CEMETERIES OF MID CHEROKEE COUNTY TEXAS, ISBN 978-1-931167-35-2, page 35, states that she and her husband along with Lionel Newman visited the cemetery on February 20, 1971. They listed 18 graves on the site. Most of the markers are made of native iron sandstone. We found most of the graves listed in the book. Sammy took 7 photographs.
