FOREWORD

We, the staff of the 1961 ATHENIAN, want to thank you, the students of Athens High School, for giving us the privilege of preserving the school year 1960-61 for you. The aim of the staff has been to record the memories of this year so in days to come you may look back on this year through the pages of the 1961 ATHENIAN. It is with great pride we present your annual to you, the student body.

Our boys this year did a marvelous job of playing. They played in the mud and rain, and occasionally on a dry field. They didn't get as far as they did last year, but we are proud of them anyway. I think that everyone will agree that we had the best time of anyone cheering them on to victory.

HOWARDS' HUMBLE

"At the Y"

As you turn this last page of the 1961 ATHENIAN, we sincerely hope that it has lived up to your expectations.

We do hope that we have kept mistakes to a minimum. All names and ads were triple checked. However, if there should be some errors we extend our apologies now.

The staff believes that we all owe Cora Kirkland a vote of thanks for the beautiful cover she designed.

Sincerely,
The Staff
